LIFE TIMES

Protecting and defending the most innocent and vulnerable members of our human family, the unborn.

Summer, 2021

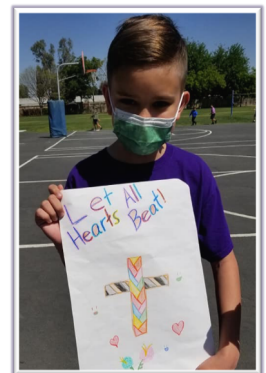

Dear Friends of Life,

We hope this newsletter finds you and your families safe, healthy and happy. Summer is here and we are glad to see some children back at school, events and gatherings resuming and a slow return to a more active and connected life.

TKRL is actively working to create a community where all human life is valued and protected and where no woman or couple feels as if abortion is their only option. Through our social media platforms, websites, email communications and personal contact with members of our community, we continue to provide life-saving support and encouragement to women facing unplanned pregnancies as well as equip local pro-lifers with tools and training to become more effective defenders of life.

There is never a shortage of opportunities to share a life-affirming message and we are committed to doing all we can to do just that while also encouraging others to do the same. Everyone can make a difference for life in his or her own way.

We have so much to share since our last newsletter!

THANK YOU Mary Immaculate Queen School in Lemoore for inviting TKRL to speak at your Walk for Life and for the support that was raised. Watching the children put their pro-life passion into action gave us hope and encouragement for the future! (We encourage your church or school to host a Walk for Life! It is a fun and simple way to make a difference for life.) Call our office to learn how. 559-732-5000.

TKRL is hosting Justice for All Workshops on Thursdays from 5-7pm. You can join us in person or through zoom as we "learn to create conversations in which you love the woman, the child, and the person who disagrees with you equally at every moment of every conversation." **Please call for more info: 559.732.5000**

"I will forever be grateful for the Love 3 Workshop. It is giving me not only very helpful information and honest facts but most importantly, the skills to learn how to have a calm, respectful, different kind of conversation about abortion in a way that can truly change a persons mind and heart toward the unborn. Please, please sign up to take this class. I guarantee you will not regret it!"

2021 LifeWALK down Main St. in Visalia a success!

This year our LifeWALK took a different turn. Due to Covid restrictions at Plaza Park, we decided to walk down Main St. We were grateful and pleased to have had a great turnout! There were approximately 140 Pro-Life walkers who joined efforts in not only helping to raise much needed funds for TKRL but also to be a public witness of love and life in our community.

THANK YOU to all who came out to walk with us and for those who worked so hard to raise pledges. Your support is valued and appreciated!

"I'm beyond grateful for everything you and your co-workers gifted the baby. Thanks so much! I thought you would like to see the little guy. He was smiling!"

A Pro-Life Prayer

God of all goodness, you have entrusted us with the gift of life. Help us to appreciate that gift from the first moments of conception to the last breath of old age. Send your strength to all those who defend the unborn, the weak, and the dying against attempts to cut short their lives. May your Holy Spirit touch the hearts of those who are tempted to choose the way of death rather than life. Grant that your people may always be a sign of our love in the world. Amen.
